

Airport Transfers 2026

Description

We offer a safe, reliable airport transfer service with fully insured cars and drivers who are all DBS checked. Inbound and outbound airport transfers are available. Our drivers are fully briefed and know their way from the airport to the student's destination. They meet their passengers in the arrival hall of the airport terminal building and carry a sign with the student's name.

We do not use ordinary taxis which could drive away if there are any delays. If the student does not arrive at the appointed time, our driver will check with Immigration, the airline, baggage hall, our office and the booked accommodation, as well as paging the student via the airport information desk. Drivers carry mobile telephones and are required to telephone us before leaving the airport if they have been unable to locate their passengers.

Terms & Conditions: Rates are valid from 1 January 2026 – 31 December 2026 but are not guaranteed and are subject to change. Images are representative. Passengers must be travelling together from/to the same airport to/from the same address.

Rates are subject to a supplement of £15 per vehicle if travelling through Central London and a 50% increase per vehicle for journeys over the Christmas and New Year periods. A supplement of £10.00 per vehicle applies to journeys from/to Heathrow to/from East or South East London.
